GOVERNMENT OF ORISSA

**REVENUE DEPARTMENT**

RESOLUTION

The 13th May 2005

**SUBJECT—** Formulation of a High Level Committee under the Chairmanship of Principal Secretary to Government, Revenue Department to look after rehabilitation and resettlement issues of R. S. P. and Mandira Dam Project in the district of Sundargarh.

Rourkela Steel Plant was set up during 1950. Although at present the nitty-gritty of Rehabilitation and Resettlement to displaced/affected families/persons in connection with above projects do not exist, yet residual issues remain to be addressed. Such issues cannot be sorted out at level of local administration as many of them require policy decision of State Government. The project affected persons have resorted to agitation in the past several times. The matter of the displaced persons of R. S. P. has also been agitated in the floor of Assembly time and again.

After careful consideration of the matter, Government have been pleased to constitute a High Level Committee with the following members. This Committee will replaced the Rehabilitation Advisory Committee constituted earlier vide this Department Resolution No. 55010-R., dated the 20th November 2003. However the P. D. C. constituted earlier vide the Resolution, dated the 20th November 2003 under the Chairmanship of R. D. C. (N. D.), Sambalpur will continue as such.
